

top it

Materials: one deck of cards

1. Each player gets half of the deck of cards.
2. Each player calls out, "one, two, three, top it!" and then flips over the top card.
3. The person who flipped over the HIGHEST card wins both cards. If there is a tie, 2 more cards are flipped over and compared. The winner takes all 4 cards.

Play until time is up. The person with the most cards wins.

back & forth to 100

Materials: hundred chart, game piece for each player, 2 dice, 1 green/red die

Each player takes a turn rolling all 3 dice. Add the 2 numbered dice together and move that many spaces on the board. The colored dice tell you whether to move forward or backward.

Green = forward

Red = backward

The first person to reach 100 wins. If time is up, the person closest to 100 wins.
